6th-8th	60	60	60	50	50	30 minutes Math & 30 minutes Literacy

**Note:** Asynchronous time will account for the remaining minutes by content area, small group instruction, and intervention time for students. Based on access to technology a teacher may need to coordinate with another teacher to ensure that a student will have access to the chromebook or tablet if trying to schedule intervention or small group work. Teacher office hours are included during this time as well.
