

Keeping our scholars safe is our #1 priority at MESA; the following procedures will take place immediately:

*As a reminder, the school day is from 7:30-2:30, Monday-Friday. Before/Aftercare is available through the YMCA, please contact the main office for an application.

1. No visitors can enter the campus after 2:00 pm. Parents, please call the main office for pick-up, and we will locate your scholar and send them out to you.
2. For our scholar's safety, we will not use the alley for our carline pickup. Carline/Daycare van pickup will be in front of the school. Please stay in your vehicles until a staff member comes to get your scholar's name and call them on the walkie.
3. To purchase a uniform please email Dean Cobb. This keeps the traffic in our building at a minimum.
4. Masks are mandatory for all visitors, scholars, and staff. No Exceptions!
5. A walk release form is required for those scholars who walk home. Please contact the main office for more information.

If you have any questions or concerns, please contact our Dean of Family Engagement at kcobb@mke-es.org
