

Greeting MESA Eagles families!

It's hard to believe that we are beginning our 4th week of school! We would like to personally thank you for your patience and understanding as we continue to navigate another year like no other.

As we work in partnership with MPS to resolve the district-wide transportation shortage, we invite you to contact your scholar's transportation provider at the following number and join us as we share our concerns:

Lamers: 414-282-3566

Lakeside: 414-536-2040

First Student: 414-649-2620

Please know, we are committed to providing information with regard to bus transportation to our Eagles community. The following steps are in place to expedite communication regarding changes:

1. The Dean of Family Engagement will send a text alert as soon as we are aware of bus cancellations.
2. The transportation office leader will reach out to the MPS transportation department for frequent updates as it becomes available.
3. The IT Coordinator will work with families of scholars who ride the bus and arrange for them to have a device for virtual learning if they cannot make it to school.
4. The teachers will continue to share information with you and ensure that you are contacted regularly with updates.

Thank you again for your commitment to your scholar's success. If you have any questions or concerns, please feel free to contact our Dean of Family Engagement at kcobb@mke-es.org.
